## Service Outreach Program Fall 2011-Spring 2012

“For we are God’s handiwork, created in Christ Jesus for the good works that God has planned in advance, that we should live in them.”  
Ephesians 2:10

Continuing our tradition, The Edge is incorporating a Service Outreach Program to our middle school ministry that will give them & their families a chance to serve their fellow brothers & sisters in Christ. As Christians, one way we can model Christ is by serving others. Jesus spent time with the poor, sick, and others who were judged as unworthy of help. Therefore, as we seek to be like Him, we should learn to live the life of a servant. Ultimately, when we serve others, we are serving Christ.

On various Mondays during the year, in their small groups, kids will visit Silverado Senior Living Center before the EDGE night begins. When you receive your small group assignment for the year, you will also receive your date for your group’s service outreach. Please plan ahead for this date. When your date draws closer, you will receive an email reminding you of all the needed information for your time at the site. The service will last about an hour and fifteen minutes and in time for your child to attend the EDGE night. The first date that the middle schoolers will be attending is October 4<sup>th</sup>. *PARENTS, SIBLINGS, & FRIENDS ARE WELCOME TO TAKE PART IN ALL PROJECTS!* ☺

### Silverado Senior Living Center:

We will be visiting this residential care facility for 30 patients with Alzheimer’s.

Description: Responsibilities include visiting with residents and assisting in activities.

What to bring: a board game or puzzle to play with the residents in order to make your visit with the residents extra enjoyable!

Time: 5:45-7:00pm

Location: 9410 E. Thunderbird Scottsdale, 85260

Please wear modest clothing (no short shorts or tank tops).

If you have any questions, please let me know! I am looking forward to another successful year of visiting the residents at Silverado Senior Center. Thank you for helping make this program what it ought to be—a means for us to practice acting as Christ’s hands and feet in serving others as He did.

Peace in Him,

Maryclaire Hillebrand
